<b>For Positions Posting to USAJOBS Schedule A (Individuals with Targeted Disabilities) or 30% Vets candidates. You DO NOT have to wait for the job to be posted to USAJobs.gov</b>				
<b>Submit a resume package by one of the 4 ways listed above</b>				
<p><b>Direct Hire Authority:</b> While some positions may have Direct Hire Authority (DHA) to fill them, based on recruiting history for similar positions, a selecting official may choose to recruit a suitable applicant by requesting the job to be posted to USAJobs.gov rather than receive applications by way of walk-ins or e-mail submissions of resume/application packages. In these cases, the positions is listed on Eielson’s “traditional” vacancy list. Any DHA resume/application package received after the selecting official declares their preference to post the job to USAJobs will be held in abeyance until the USAJobs list of applicants is received and vetted. <b>Exception:</b> While Schedule A (Individuals with Targeted Disabilities) or 30% Vet candidates may apply on USAJobs, locally received applications received <b>prior to</b> the announcement closing date will be vetted prior to the receiving a certificate of candidates.</p>				
<p><b>How You Will Be Evaluated:</b> Your resume/application package will be evaluated for a job based on how well you meet the qualifications itemized in the OPM minimum qualifications for the subject job series and grade; and the Knowledges, Skills &amp; abilities described in the subject position description.</p>				
<p><b>The Federal hiring process is setup to be fair and transparent.</b></p>				
<p><b>Equal Employment Opportunity Policy:</b> The United States Government does not discriminate in employment on the basis of race, color, religion, sex (including pregnancy and gender identity), national origin, political affiliation, sexual orientation, marital status, disability, genetic information, age, membership in an employee organization, retaliation, parental status, military service, or other non-merit factor.</p>				
<p><b>Reasonable Accommodation Policy.</b> Federal agencies must provide reasonable accommodation to applicants with disabilities where appropriate. A reasonable accommodation is any change to a job, the work environment, or the way things are usually done that enables an individual with a disability to apply for a job, perform job duties or receive equal access to job benefits. Determinations on requests for reasonable accommodation will be made on a case-by-case basis. Under the Rehabilitation Act of 1973, federal agencies must provide reasonable accommodations when: An employee with a disability needs an accommodation to perform the essential job duties or to gain access to the workplace. You can request a reasonable accommodation at any time during the application or hiring process or while on the job.</p>				
<p><b>120-Day Register.</b> Applications resulting in a non-selection, other than not meeting the best qualified threshold, will be closed. Otherwise, application packages will remain in the “active” queue for consideration for the specific position requested for up to 120 days.</p> <p>(a). During that same time, applicants deemed qualified, may be referred for consideration for like-vacancies (with the same occupational series and grade).</p> <p>(b). Applicants being referred for positions other than the one originally requested, the applicant will be advised prior to CPS forwarding the package to the selecting official, giving the applicant an opportunity to withdraw consideration.</p>
